Federal Communications Commission
Office of the Secretary

In the Matter of: Nomination for Universal Service Administrative Company Board of Directors, CC Docket Nos. 97-21 and 96-45

Dear Secretary Dortch:

We write today to urge you to reappoint two individuals to the Universal Service Administrative Company (USAC) Board of Directors: Anne Campbell as the member representing libraries that are eligible to receive discounts, and Dr. Anne L. Bryant as the representative for schools that are eligible to receive discounts through the universal service fund. Both Ms. Campbell and Dr. Bryant currently serve on the Schools & Libraries Committee of USAC, and we feel that both are a tremendous asset to the Board.

As executive director of the National School Boards Association (NSBA), Dr. Bryant brings a wealth of information about the technology needs of schools. She is a leading advocate for education technology initiatives as a key component of student achievement. Dr. Bryant served as co-chair of the CEO Forum on Education and Technology, an organization of 20+ high technology CEOs assembled to report to the nation on progress in technology and education. She is also the co-chair of the Learning First Alliance, comprised of 12 leading education organizations committed to raising student achievement.

Ms. Campbell, a Library Consultant, is a community leader, a respected figure in the library field, and a major advocate for the E-rate program. She possesses a deep knowledge of library technology, funding issues, and the role of libraries in the E-Rate program. Libraries across the country appreciate her commitment to sharing library concerns with the Board, and communicating changes in the program to applicants in the field.

The Education and Libraries Networks Coalition (EdLiNC), a coalition representing the nation's leading education and library associations, strongly supports the reappointment of Ms. Campbell and Dr. Bryant to the Universal Service Administrative Company (USAC) Board of Directors. Both have proven themselves to be committed advocates for the integrity and continued success of the Universal Service Fund and E-Rate program.
